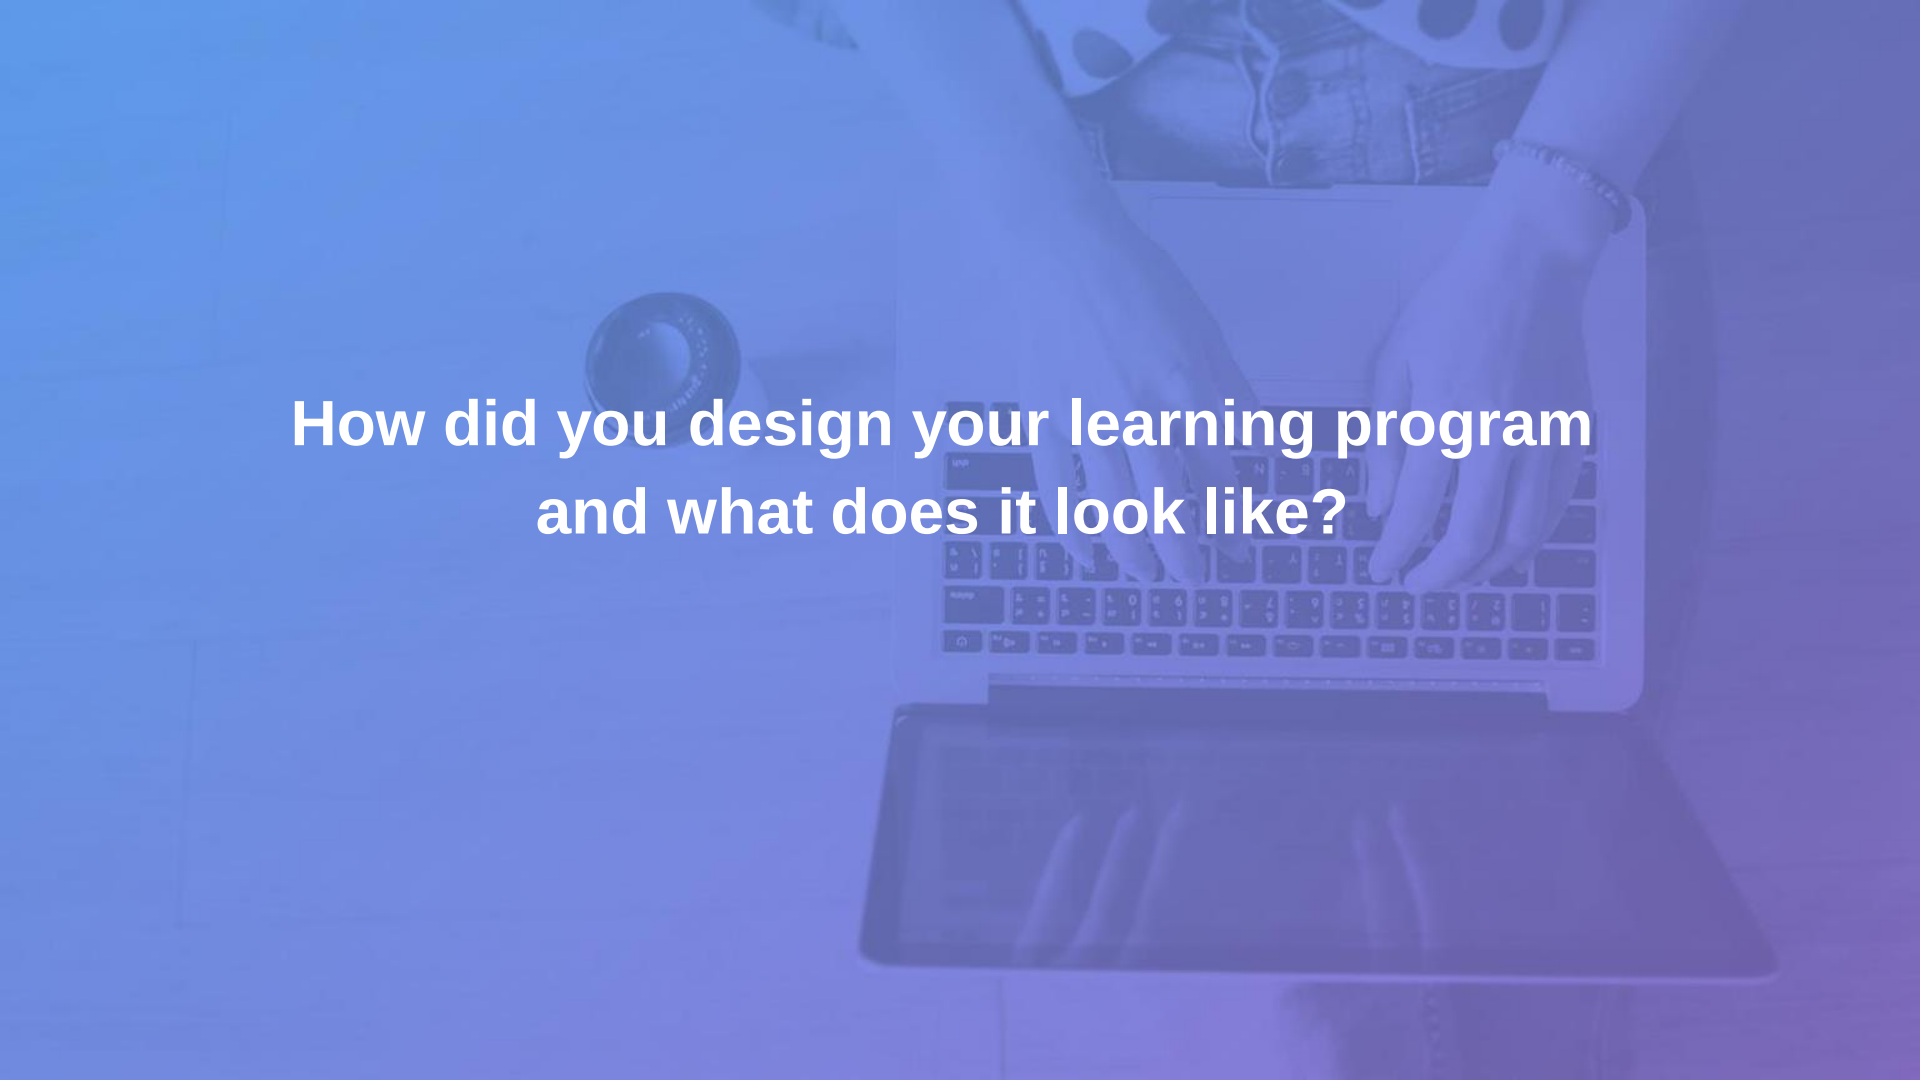
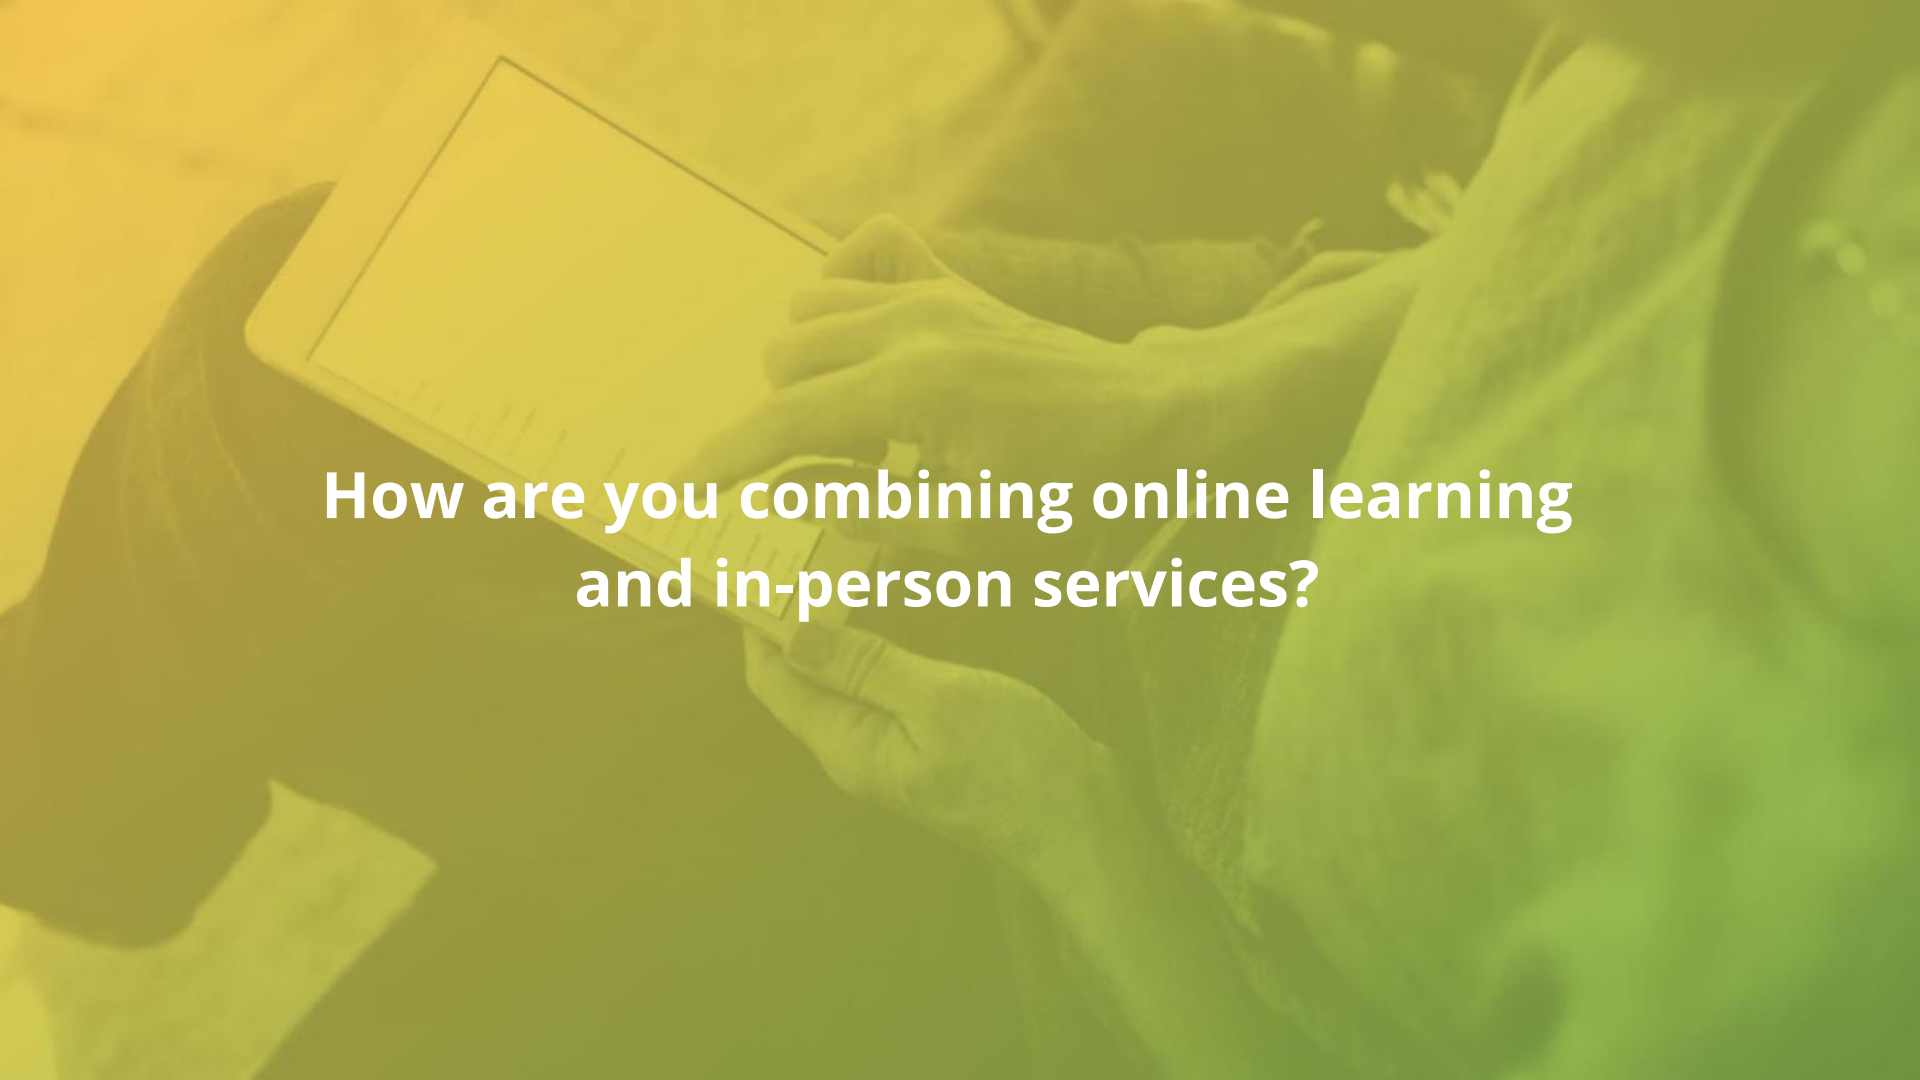
# NAVIGATING THE TRANSITION TO CIVILIAN EMPLOYMENT

IN SERVICE
TO THOSE WHO HAVE SERVED

# What are your communities' skill development needs? What are employers looking for?



# How did you design your learning program and what does it look like?



# How are you combining online learning and in-person services?

How are you tracking the
impact of your learning program?

What does technology enable you to do that you couldn’t do previously?

# Why did you choose to partner with Coursera?

# Coursera for Governments & Nonprofits

Skills-based training to help job seekers and career advancers in your community succeed in today's changing workforce.
