TYPES OF SESSIONS

- **Plenary Presentations**
Expert presenters will provide a provocative and lively discussion of the challenges facing our industry in the grand ballroom.
- **Learning Lab**
Expert presenters will provide an in-depth review of challenging topics facing the clinical research industry in designated rooms.
- **Site Matters**
A cross-section of expert panelists will provide unique perspectives on industry and site pain points and engage the audience in identifying solutions.
- **Site Solving**
Come prepared to discuss relevant issues and learn new best practices. These sessions will be moderated by an industry expert who will provide a backdrop for the topic. Small groups will be formed to further discuss and identify solutions. Each group will share its findings with this session's attendees.
