OUR MISSION

Torch fuels professional growth through the power of trusted relationships

Top performers & leaders consistently credit their growth to other people:

- ✓ A manager who invests in them
- ✓ A mentor who gives them advice
- ✓ A coach who provides new perspectives

THE STATUS QUO

⊗ Limited Access

Access to coaches and mentors is exclusive and limited to select groups in the organization

⊗ Disconnected

Coaches and mentors guide in different directions, not always aligned to your strategy and values

⊗ Hard to Measure

Measuring ROI and demonstrating the impact of coaching & mentoring is challenging

A BETTER WORLD

✓ Inclusive

Democratize coaching, mentoring, and group learning so all employees can participate

✓ Integrated

Ensure experiences are consistent with your organization's initiatives, competencies, and cultural values

✓ Impactful

Prove ROI with assessments that move beyond self-reported data to measure true behavior change

THE TORCH PEOPLE DEVELOPMENT PLATFORM

Torch's platform uniquely combines humans, science, and technology

Access to Experts

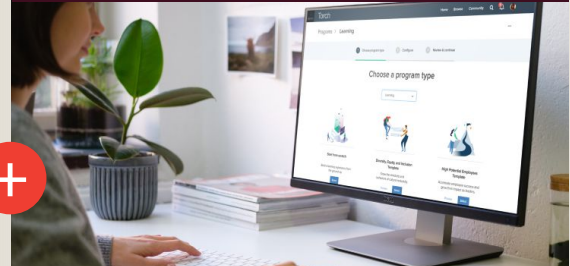

Access to internal & external coaches and mentors to amplify growth

Behavioral Science

A platform built on the science of personality, leadership, and development

Scalable Technology

Intuitive & powerful technology to design, manage, and measure programs
