Why Choose Get Control Training?

Proven Success: We have trained over 1 million professionals and have provided training to 20% of the Fortune 500. Our classes are often the most attended and top-rated sessions because our content is timely, relevant, ★★★★★ and extremely useful. On average, Get Control Webinars achieve an 80% Excellent rating or 4.8 stars.

Design Expertise: Mike Song is the bestselling author of the popular Hamster Revolution book series. He leverages insights from over 200,000 surveys and 20 years of experience to craft innovative learning experiences that drive measurable results and transform workplace productivity. Get Control training features dynamic mobile and PC insights, fun scenarios, and next-level engagement techniques.

Customized Solutions: Get Control tailors solutions to align with your tech setup while focusing on your people's specific productivity pain points. The result is a unique and unparalleled training experience packed with "Wow!" moments. Participants save 15 days a year by eliminating inefficiencies, directly translating into greater focus, better organization, and improved outcomes.
