The library reading app

# OverDrive Marketplace

With OverDrive Marketplace, you can customize your digital library collection. Choose from millions of titles, thousands of publishers, and 100+ languages

The screenshot displays the OverDrive Marketplace website interface. At the top, there is a search bar with the text "Search OC/OU & MA by title, author, series, or publisher" and an "Advanced search" dropdown. The navigation menu includes "SHOP", "INSIGHTS", "ADMIN", "CURATE", "NEWS", "INVOICING", "SUPPORT", "FEATURED", and "GET HELP". A user account section shows "English", "My Digital Library (OverDrive Training Demo) (0x)", "CARTS", "\$0.00", and "CHECKOUT".

The main content area features a large banner for "TOP BOOKS OF April" with a "SEE PRE-ORDERS" button. Below the banner is a section titled "Murder, Mystery & Mayhem Sale - 2019/2020" with a play button icon. This section displays five book covers with "ADD TO MAIN CART" buttons:

- Conviction** by Denise Mina, et al.
- Ali Cross** (All Cross Series, Book 1) by James Patterson, et al.
- Wilder Girls** by Rory Power, et al. (Audiobook)
- No Fixed Line** (Kate Shugak Series, Book 22) by Dana Stabenow, et al. (Audiobook)
- Christmas Cocoa Murder** by Carlene O'Connor, et al. (Audiobook)

At the bottom of the page, there is a video player with a "2:18" duration and a "webcasts" logo.
