

Forward-Focused Learning

Inside Award-Winning Learning
Organizations

Award-Winning Practices

Describe a moment in your career when you used award-winning practices – such as **strategic alignment, innovation, stakeholder support, and lean resources** – to build high-impact learning.

Moderated Q&A

Let's spend some time applying these forward-focused principles to our current talent development climate. What do you think 2021 will look like in terms of the world of work and the role of talent development?

Moderated Q&A

What must talent development leaders do to move
the function forward?

For example, what do culture and community building
look like in this new normal?

Moderated Q&A

What is the “magic path” for getting to the top? Is there a particular degree, blend of experiences, leadership development, etc. that you recommend?

Audience Q&A

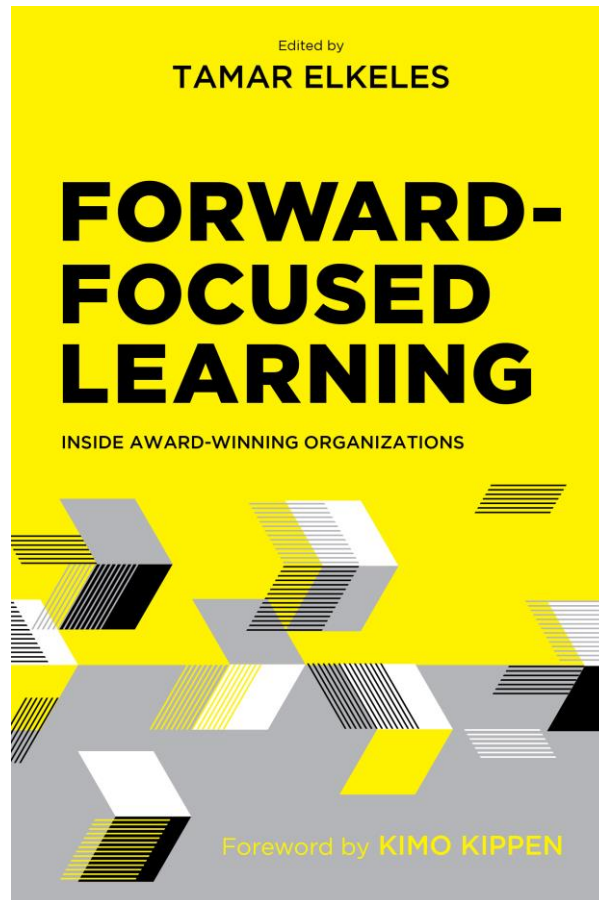

What questions do you have for Tamar, Jayne, and
Kevin?

Closing Thoughts

What is your final charge to attendees who are focused on driving high-impact learning this year?

What is the most important thing to do now?
