PDF: Pretty Dull Filing...?

CITY COURT, CITY OF MOUNT VERNON
COUNTY OF WESTCHESTER

THE PEOPLE OF THE STATE OF NEW YORK, Docket No. 04XXXXXX

ANDREW WILSON, Defendant.

AFFIRMATION IN SUPPORT OF DEFENDANT'S MOTION TO DISMISS

MICHAEL C. BIGELOW, an attorney duly admitted to practice law before the Courts of the State of New York, hereby affirms the truth of the following under the penalties of perjury:

1. I am the attorney of record for ANDREW WILSON, the above-named defendant.
2. This affirmation is submitted in support of the defendant's motion to dismiss the counts of Obstructing Governmental Administration and Resisting Arrest in the accusatory instrument for fiscal insufficiency pursuant to Criminal Procedure Law §§ 100.40, 170.30, and 170.35, as set forth in the Annexed Notice of Motion.

ARGUMENT

1. The People failed to establish every element of the offense charged in the indictment information. "A valid and sufficient accusatory instrument is a nonwaivable jurisdictional prerequisite to a criminal prosecution," *People v. McGuire*, 5 N.Y.2d 523, 527 (1979), and the People's lack thereof should result in the dismissal of this prosecution against the defendant.
